R E C O R D S

**Mission:** A composer and artist led independent record label featuring the music of Peter Scott Lewis and the finest instrumental musicians and vocalists. Artistic expansion is possible in the future.

**History:** Lapis Islands Records was founded as a response to the desire for more artistic independence. Within 2 weeks, widespread distribution and non-profit status were established. The label has since continued to have distribution and has raised project funds through grants and donations.

**Distribution:** Naxos of America (worldwide digital) and Alliance Entertainment and City Hall Records for physical. Outlets include Amazon (worldwide), Presto Classical (worldwide), Barnes & Noble, ArkivMusic, and digital downloads from Apple Music, Spotify, eMusic, Rhapsody, HD Tracks, YouTube, Pandora, Play Music, and many others.

**Recordings:** Please see Recordings page.

**Upcoming release:** *Home Stretch* featuring Miranda Cuckson, violin; Chris Gross, cello; and Stephen Gosling, piano.
